

# WEDDING SAVE THE DATE INSTRUCTIONS

Please email us [karen@myscratchofflabels.com](mailto:karen@myscratchofflabels.com) with your order number and the information as outlined below as well as any files you wish used. Then we can begin designing your Save The Date!

---

**Exactly what text do you want written?** Names of the bride and groom, location of the wedding, when the wedding is taking place, a website dedicated to your wedding.

**What font style do you want used?** We have access to thousands or let us pick for you. The fonts are available under the font styles.

**Do you have color preferences for your Save The Dates or a wedding color scheme?** We have a custom colors chart for you to pick out your own colors all you have to do is send us the Pantone/CMYK numbers. We can also match colors in images or we can pick the colors for you.

**Did you order Magnets?** Our save the date magnets come in a 4x3 size or a 4x6 size. The layout of your design may differ from the design shown on our site due to the resizing.

---

## Custom Unique Design Save The Dates

If you purchased a Unique Design let us know what you have in mind. We will design anything you desire. Let us know which scratch off sticker you would like in your design and how many stickers you would like.

---

**Please Note:** For all Save The Date designs, we REQUIRE proof approval before the design is sent to print. Colors shown will always be Approximate. All images submitted will be converted from RGB format to CMYK format which can change the colors slightly. We CAN NOT guarantee print colors because of differences in monitor settings. We do print professional HIGH quality CMYK printing for all of our Save The Date's. Approximate design, print, scratch label affix and ship time is 21 days (Magnets 26 days).
